OUR CLIENTS US

We have received **5 stars** on Installation Process, Usage and Dashboard, Customer Support and Speed from **more than 95%** of our clientele. They also say that our business model is awesome since **we actually generate revenue** from using our product.

IN THEIR OWN WORDS

Deccanchronicle.com

“Vuukle has increased engagement on site; the emoticons add a dash of colour to the reader experience; the back-end is extremely easy to use.”

Tikli Basu - Editor, New Media

Indianexpress.com

“It has helped me free up manpower which was earlier needed to curate comments.”

Nandagopal Rajan - Editor, New Media
